## LOCAL NEWS.

## WEDNESDAY EVENING, JUNE 19.

## ALEXANDRIA, LOUDOUN AND HAMPSHIRE.

R. R.—GENERAL MEETING OF THE STOCKHOLDERS.—Pursuant to a call, a meeting of the stockholders of the Alexandria, Loudoun and Hampshire Railroad Company was held at the office of the Company, in this city, at noon today, for the purpose of considering the act authorizing the transfer of the State's interest in the road to the company.

The meeting was organized by the appointment of Col. C. B. Ball, of Loudoun, as chairman; R. Johnston, clerk of the company, acting as secretary.

Messrs. J. M. Orr, of Leesburg, and C. F. Lee, of Alexandria, were appointed a committee on proxies, who reported a large majority of the stock represented in person and by proxy, whereupon the chairman stated the object of the meeting, and the Secretary proceeded to read the act, as published in yesterday's Gazette, at the conclusion of which,

Mr. McKenzie offered the following resolutions, advising the company to accept the act, if advantageous terms can be made with the Board of Public Works:

Resolved, That the Alexandria, Loudoun and Hampshire Railroad Company, in general meeting assembled, do accept the act of the General Assembly of Virginia, passed on the 17th day of April, 1867, entitled, "an act disposing of the State's interest in the Alexandria, Loudoun and Hampshire Railroad, on certain conditions."

Resolved, That, in case the purchase of the State's interest shall be made, as authorized by the said act, the Board of Directors (who are hereby authorized to make and conclude the same) be, and they are hereby, empowered to execute and deliver the bonds of the company therefor, payable as required by said act, and to secure the payment thereof, by mortgage or deed of trust upon the company's franchise, and real and personal property, or any of them.

Resolved, That a copy of the foregoing resolutions, certified by the President, under the company's seal, be forwarded by the clerk of the company to the Board of Public Works.

On motion of Mr. J. A. Janney, of Loudoun, the resolutions were unanimously adopted:

Mr. McKenzie then offered the following preamble and resolution, which were unanimously adopted:

WHEREAS, By an act of the General Assembly of Virginia, passed on the 17th day of April, 1867, entitled, "an act disposing of the State's interest in the Alexandria, Loudoun and Hampshire Railroad on certain conditions," this company is empowered to borrow money, for the purpose of extending its railroad, at a rate of interest not exceeding eight per centum per annum, and to issue its bonds therefor, and secure the payment of such principal and interest of such bonds by mortgage or deed of trust upon its franchise and real and personal property, or any of them; and whereas, this company is desirous of extending its road from Leesburg to its western terminus, at a point in Hampshire county, west of Paddytown, and for that purpose to raise the necessary funds by loan as aforesaid: be it therefore,

Resolved, That, in order to raise the funds requisite for extending the company's railroad from Leesburg westwardly to a point in Hampshire county, West Virginia, west of Paddytown, the Board of Directors of this company be, and they are hereby authorized and empowered to make and issue the bonds of this company to an amount not exceeding eight millions of dollars, payable thirty years from and after, bearing a rate of interest not exceeding eight per centum per annum, with proper coupons of interest attached; and to dispose of the said bonds for the purpose aforesaid, upon such terms as they shall deem expedient and advantageous.

Resolved, That the Board of Directors of this company be, and they are hereby, authorized and empowered to make, execute, deliver, and cause to be recorded, a mortgage or deed of trust upon the franchise, and all the real and personal property of the company, including its road now built and hereafter to be built, with its depots, and station grounds and houses, and appliances, and all its rolling stock, machinery, equipments, and other moveable property, now on hand, or which shall be hereafter acquired, for the purpose of securing the payment of said bonds, and the accruing interest thereon; and that the Board be empowered to arrange and adopt all details of said bonds, and the said mortgage or deed of trust not before provided for, and all things relating to the form thereof.

Mr. McKenzie next submitted the following resolution, which he urged upon the grounds of the favorable condition of the road, and its flattering prospects:

Resolved, That, for the purpose of promoting the early completion of the company's railroad to Mercer's Station, the Board of Directors be authorized to make and issue the company's obligations to an amount not exceeding \$30,000, in such form and terms, payable at such times, and bearing such interest (not to exceed 7.30 per cent.) as the Board may deem most expedient.

The resolution was unanimously adopted, and the meeting adjourned sine die.

DIED FROM HIS INJURIES.—On Friday evening last, John Grace, a former member of the 17th Virginia Regiment, was struck on the head with a gun, by a colored man, named Arington, and died from the resulting injuries on the following Sunday night. Mr. Grace, who resided at the toll gate at Hunting Creek, seeing Arington pass the bridge on a shooting expedition, on the evening named, asked him for the payment of a debt of six dollars, and said that if he were not paid he would take the gun, and advance to where the latter stood was struck over the head by him. His wounds were dressed that evening, and after a good night's rest he rose next morning and went down the Potomac in a small vessel for a load of spikes. He died, as stated, on Sunday night last. Arington lived near Sickles Barracks.

## REGISTRATION.—Up to twelve o'clock today, at which time the registration was proceeding quietly and orderly, there had been enrolled upon the books at the Court House, where the registration for the Third Ward is in progress, the names of three hundred and thirteen colored, and two hundred and twenty white people. There were at that time twenty names upon what is called the challenge list, for though the opinion of the Attorney General goes away with the offices of these challengers, they continue to exercise their functions with remarkable perseverance.

## PUBLIC MEETING.—The meeting of the citizens of Alexandria to-night at the market square will be addressed, it is said, by some of the best speakers in the city, and a large turn out is expected. The object is to arouse all to the urgent necessity of having their names enrolled upon the registration books.

## ALEXANDRIA CHRISTIAN ASSOCIATION.

The regular monthly meeting of this Association, was held last night, at 8 o'clock, in the Lecture Room of the Baptist Church, the President in the Chair.

After the usual religious exercises, and the reading of the minutes of the last meeting, the report of the Standing Committee was read and adopted.

The following gentlemen were then elected unanimously, active members of the Association: Rev. A. M. Randolph, Rev. J. P. Poulton, A. L. Atkinson, Wm. H. Glover.

Reports were read from the Executive Prayer Meeting Committee, showing increasing interest and effective action in this portion of the Association's activities.

The Library Committee, through their Chairman, W. H. Dalton, reported that upon conference with E. L. Carme, Jr., esq., President of the Alexandria Library Company, they had the gratifying announcement to make, that no obstacle would be thrown in the way of the Association having the transfer made to it, of the books now in the Library.

On motion of E. E. Witmer a vote of thanks was passed to the Library Committee for the prompt discharge of their duties.

On motion the Committee on Rooms were urged to take the matter of the erection of the school room on Queen street into consideration at once, and make a full report, pro or con, at an early day.

The Treasurer was instructed to appropriate out of the funds in the Treasury, three dollars for the use of the Queen street Prayer Meeting, and twenty dollars on account in favor of Dr. J. E. Chase.

After singing the Doxology, and with a benediction from the Rev. J. E. Jones, the meeting adjourned.

A PHRASE.—A note from a friend says: "I have seen several time quoted the phrase—'surmoulous remarks and cathartic observations.' Is it local or traditional? If so let us have the history." Certainly, you shall have it. Many years ago, a subscriber to the Gazette, at the upper end of King street, a flour merchant, one of our best citizens, had become somewhat annoyed at the daily visits of a neighbor, an old gentleman, who occupied a seat constantly in his counting room, for the perusal of the newspaper. The merchant wrote a sharp "squib" on newspaper borrowers, and newspaper readers who would not pay anything for their reading. It appeared; and that day, as usual, the old gentleman walked in, picked up the Gazette, and took his accustomed chair. Having finished, he quietly turned to the merchant, and as quietly remarked: "Friend Joseph, I see there are some surmoulous remarks and cathartic observations here, probably intended for me—but it's all perfectly useless, for I shall read the paper just as long as I please, and as often as I please."

## AN AMUSING INCIDENT.—Among the diversions at Glymont on Monday last, for the amusement of those who on that day attended the excursion to that summer resort of the Red Men of this city, was a scene in which many members of Oseola Tribe, dressed in full native American Costume, represented a scout-party of savages; and the performance is represented by those who witnessed it as true to nature. It is stated that in the line of march through the woods by the scouts, they came unexpectedly upon a number of colored people at work, who, astonished and alarmed at what they supposed was a hostile invasion, threw down their tools and fled with precipitation to the spot where the excursionists had congregated awaiting the appearance of the Indians.

## EPISCOPAL THEOLOGICAL SEMINARY.—The examination and ordinations at the Theological Seminary, near this place, begin on Wednesday the 26th inst., continuing until the following Friday, inclusive. A collation will be provided for the visitors in the refectory of the Seminary.

## CANAL AQUEDUCT.—The lessees of the Alexandria canal commenced on Monday last the work of demolishing the existing aqueduct at Georgetown. Operations were started on the end next to the Virginia shore, and proceeds as if the object is an early beginning of the work of rebuilding. Numerous plans and specifications respecting the new aqueduct have already been received by the lessees.

## ST. JOHN'S ACADEMY.—The closing exercises of the twenty-eighth session of St. John's Academy, will take place at Liberty Hall, on Friday afternoon, the 28th instant. J. F. McLaughlin, esq., of Baltimore, is to deliver the address before the Patrick Henry Society.

## RAIN.—This city was visited last night by a most severe rain, accompanied by lightning and thunder. The gutters were transformed into "raging torrents," and the intersections of some of the streets so flooded as to be impassable by pedestrians.

## LONG BRIDGE.—As has been stated, was again opened to travel yesterday, for the first time since last winter, and many availed themselves of the opportunity thus afforded of once more visiting Washington in their own vehicles over land.

## HEAVY RAIN.—There was a heavy rain last night—accompanied by lightning and thunder. The rain and damp weather came in an inopportune time for the wheat, nearly ready for the harvest, but liable still to catch the rust.

## POTOMAC PRESBYTERY.—The next stated meeting of the Potomac Presbytery, a session of which has just adjourned in Washington, will be held in the First Presbyterian Church in this city.

## THE ALANTHUS TREES are now "shedding their odors on the air," and, to many, their odors are not very agreeable. The trees, however, are very cleanly and very beautiful and ornamental.

## JUDGE UNDERWOOD'S JURORS.—The jurors from this city in attendance upon Judge Underwood's Court, having been furnished until the twenty-fifth of July, returned here yesterday.

## BALL.—As will be seen by reference to an advertisement in to-day's Gazette, a grand ball will be given to-morrow night, at the Potomac Gardens; that is, if the weather permits.

## AN ALEXANDRIAN CAUGHT BENEATH A FALLING BUILDING.—Yesterday evening about half-past three o'clock, in Georgetown an accident occurred at the warehouse of Benjamin Darby, flour and grain merchant, on Water street, next door to High, which resulted in the death of one man, and the narrow escape of several others. It appears that about 2,200 bushels of corn were stored in the second story of the building, awaiting shipment, and the great weight on the floor and the probable fact that the wooden girdles had become weakened by occasional freshets, caused it to give way with a crash. On the first floor is the counting room, in which were several gentlemen at the time of the fall of the floor, all of whom escaped with slight bruises, except Mr. Zeph. English, a well-known merchant of this city, who was caught and buried in the avalanche of corn. Mr. English remained in this predicament for some time, and certainly would have perished, had it not been for an employee of Mr. A. Rodier, named Wm. Nicholson, who, despite the dangers that beset him, rushed to the rescue, and by fanning and parting the descending and fast-showering corn, prevented Mr. E. from being suffocated. A man named William France, aged about 27 years, who had been sent to the mills for flour by his employer, had cause to visit Mr. Darby's in connection therewith. He had hardly appeared on the second floor, where the counting room was situated, before the tremendous crash occurred, precipitating the floor and its bulky weight of corn into the basement, carrying with it, like an ice-slide in Switzerland, the unfortunate man, who remained buried in the debris until about 7 o'clock, when he was taken out, and upon examination, life was extinct. Mr. English, when rescued, was unable to speak, but, fortunately, having sustained no serious injury, soon recovered, and though unable at present to return to this city, will do so in the course of a day or two. His wife visited him early this morning.

## RAILROAD ACCIDENT.—Yesterday when the down passenger train on the Orange and Alexandria Railroad had reached to within about two miles above Orange Court House, one of the axles of the tender broke, and the Adams Express car was in consequence thrown from the track and down the embankment. The train was delayed at that point until about six o'clock, and did not reach this city until half past eleven last night. No one was hurt.

## A LONG SWIM.—A small sized dog, accidentally left by his master on the opposite Maryland shore this morning, jumped into the river, and after strenuous exertions, succeeded in swimming across safely.

## SALE OF PROPERTY.—It will be seen that the real estate belonging to the late Exchange Bank of Virginia, in this place, is to be sold at public auction on the 24 of next month.

## POLICE REPORT.—MAYOR'S OFFICE.—Richard Holmes, for firing pistols within the city limits, was fined and discharged.

## MAGISTRATE'S OFFICE.—There were no cases of a criminal character at the Magistrate's Office this morning.
